

# SERVICE CALL

AMERICAN LEGION AUXILIARY UNIT 554 LEAGUE CITY TX

Hello everyone,

For those of you who don't know me, my name is Brenda Bonneau and I'm your newly installed President. I am thankful and excited for the opportunity to guide this unit the coming year.

Thank you to all the outgoing officers for an amazing year. Rhonda left us in a great place and I can't wait to grow from there. My main goal this year is to grow and work more closely with the other factions to make us all strong and closer as a family.

I recently ran across this quote, "Volunteers do not necessarily have the time; they have the heart"- Elizabeth Andrew. I feel this is a quote we can all relate too. We might not have the time to do everything we want, but we all rally together for the Auxiliary because of our heart and love for this group.

If you feel called to step up, I am looking for some help in the following positions, Scholarship chairperson, Girls State chairperson and Juniors Director.

Thank you again for entrusting me to guide this group, it's going to be a great year and I can't wait to grow with all of you.

*What a glorious month we enjoy as we celebrate our freedom! Many battles have been fought and many lives have been lost to obtain and maintain the freedoms we have today. Make your holiday festivities include a moment of prayer thanking God that under His protection and provision, we are still free today. If you love freedom, thank a Vet!*

*We have several members and friends that need to be freed from the situations and diseases that plague their bodies. Remember in prayer with me Bev Gail, Dry family, Lois Hayman, Karen Wiggins, Justin Wiggins, Jean Reaves, Jim Frescura, our Nation, our Veterans, and our Military. If you have a prayer need/request, please email me at saralacy2@gmail.com. Be sure to let me know your praise reports also.*

*You may also reach me at my email mentioned above if you're interested in re-activating B.Y.O.B. ~ Bring Your Own Bible. If you'd like to attend a non-denominational Bible Study, this is your chance. I'm thinking of meeting around 9:30 Sunday a.m.'s or Monday evenings around 6:30. Mention your preferred time in your response.*

*Bless you all ~ Sara Lacy*

**ANOTHER MOMENTOUS JULY EVENT!! Many of us were glued to our tv sets on Sunday, July 7, 1969 as we watched man step into history with the first lunar landing. We were transfixed with every broadcast of the astronauts exploits as they planted the American flag and gathered moon rocks. Use Google to find all of the benefits we have today because of the space program envisioned by JFK!**

**MEMBERSHIP**—Current membership is needing 11 members to reach the goal. We should make it all the way to 100% of our 158 member goal. Several members who've been faithful for years didn't renew and that set us back. We're encouraging them to pay last year and now this coming years that will be due so that they don't lose the continuous years accumulated. The last stats posted showed us at 93.67%. The final numbers will be posted on our state website around the middle of July. Stay in touch for updates!!
